

Send a Mother's Day card to a loved one and support thousands of women at risk!

When you donate \$25 or more to JWI's Mother's Day Flower Project...

Now it feels like Mother's Day!

...we send bouquets and gift baskets to 200 battered women's shelters on Mother's Day, and a beautiful card to your Mom (or any other woman you'd like to honor)...

Be sure to donate by **May 3rd** so your cards arrive by Mother's Day!

Buy cards online at www.jwi.org/fp,

or by phone at **800.343.2823.**

...while the money we raise supports JWI programs that work every day to empower girls and women, and break the cycle of domestic abuse.
